CVV/CVC/CID is a 3 or 4-digit authentication number located on most credit cards to help reduce fraudulent use of credit cards for "card not present" transactions (such as Internet Purchases). It is against Washington State law to write down the CVV Number on paper. You must call Mike White at 360.340.2588 and give him the CVV number.

VISA calls it a Card Verification Value (CVV)
